Hike a full circuit of Becora, enjoying huge views of Dili and Hera below on both sides of the ridgeline. Most of the walk is along dirt roads, so you can appreciate the views, but the ascent and descent are a little tricky in places. This is an enjoyably varied hike, from the bustle of the city to the quiet of the hills above and back.

Difficulty rationale – Steep start, and slippery descent, but the rest is straightforward dirt road walking. It is one of the longer hikes but there is shade in areas
