

Kakaulidun Loop

Central Dili

[Route map](#)

7/10 difficulty

2 hours

5.4km up 279m

Head up into the beautiful hills behind Dili, enjoying great views of the city below throughout. The walk heads up one ridgeline and down another, forming a near loop (1km between the start and finish)

Difficulty rationale – Relatively short hike but reasonably steep ascent, and the descent can be slippery so poles are recommended. Moderate amount of shade along walk.
