

# The Horta Loop

**Cristo Rei**

[Route map](#)

**4/10 difficulty**

**3 hours**

**10.9km up 295m**

[Video](#)

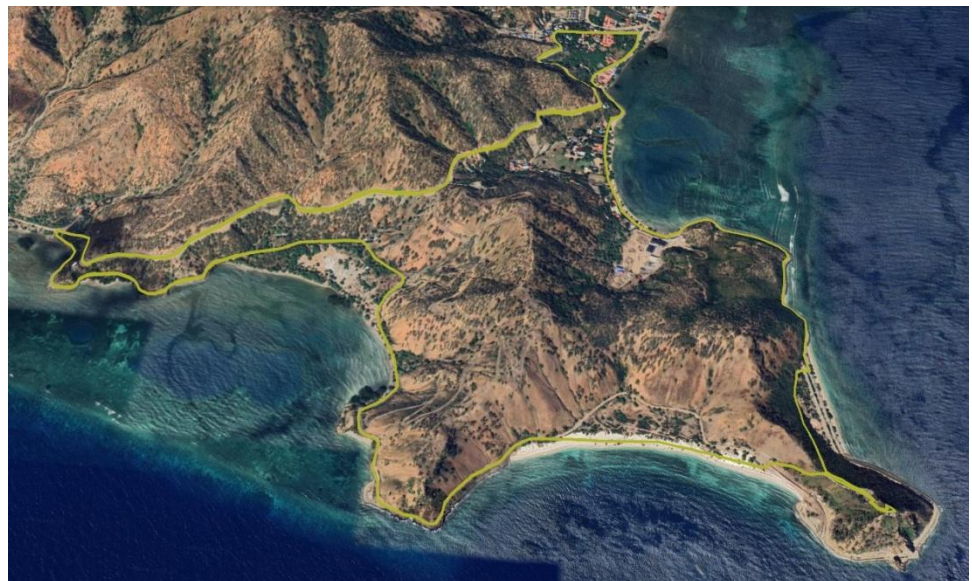

The best known walk in Dili, which includes Cristo Rei and Back Beach. We walk to the Hera turn-off, then up and over the hill and around the coast to Back Beach and Cristo Rei. There's the opportunity to swim if the tide is right before heading back to Beachside.

**Difficulty rationale** – A bit of a hill at the start, but otherwise easy and on road/track all the way, but it is a long walk with little shade
